IMPORTANT NOTES

Mares/fillies with original papers/passport from another stud book but not yet registered/ overstamped with SPSS. Please note that if the pony is not registered with the SPSS before entry then the fee is £100 and a copy of key pages from her passport **must** accompany this entry form (please do not send actual passports at this time). Please contact the Studbook Office if you're not sure if your mare has been registered/overstamped already by the SPSS.

Membership. Only members can enter a pony for grading. If you are not a member then you will need to join (or rejoin if a lapsed member). Membership forms can be found on our website www.sportpony.org.uk "Membership" page.

Mares in foal or with a foal at foot. Mares in foal or with a foal at foot are not excepted to loose jump or be ridden – but can if the owner wants. Mares are not disadvantaged by not doing these stages. For mares with a foal at foot, if the owner is concerned that letting the mare loose may risk the safety of the foal, then that stage too may be omitted – however, it does limit the mare's opportunity to show her paces.

Height. The height limit for SPSS grading is 158cm & mares on or close to the height limit may be required to provide proof of height. Should a mare prove to be over the height limit at any time after grading then SPSS graded status will be withdrawn and the entry and other fees will not be refunded. Hence, it is recommended that mares on or near the height limit or from horse bloodlines are not presented until at mature height.

DNA samples. Any mare that is successful at the grading will be expected to provide a DNA hair sample to the SPSS (this will normally be done on the day). A fee of £50 will be charged in the event of a parentage test being required at any time for either the mare or any of her progeny.

Evaluation. Young mares (aged 2 or 3) and foals at foot can also be entered in the Youngstock Evaluation (further details on the website). The entry fee is waived for foals at foot of mares entered for grading and for 2 & 3 year old mares that are entered for grading and do not have a foal at foot. These foals and young mares will be evaluated at the same time as the mare is assessed for grading.

Withdrawals. Withdrawals before the closing date will have their entry fee either refunded or the entry can be carried forward to another date/venue (including in another year). Withdrawals after the closing date will only be refunded if the place can be filled from the waiting list but the entry can be carried forward once to another date/venue (including in another year). Note that any registration (overstamping) and membership fees paid will neither be refunded nor carried forward.

Entry Fee: £75 for mares with SPSS passports or already registered/overstamped by the SPSS
£100 for all others (this includes the necessary non-refundable £25 initial registration fee)

Entries Close: All entries close on the **18th August 2017.**

Early entry is advised as spaces will be allocated in order of receipt of entries and once capacity is reached at each venue further entries will be placed on a waiting list. If there is space, late entries may be taken, please call the office on 07703 566066 to check. **Late entry supplement £10 per pony**

Cheques should be made payable to Sports Pony Studbook Society or SPSS. If you wish to pay by bank transfer, please transfer the total amount due (if possible use your pony's name as reference) **before** posting/emailing this form and complete the section below:
