Do you intend to show your stallion in the ridden section? Yes-inc jumping/Yes-not jumping/No*

Note: 2 year old stallions are not ridden; 3 year old stallions may be ridden if they are ready but those that aren't are not disadvantaged; we expect 4 year old stallions will be ridden, but the judges will take into account how long they've been backed when assessing them; we expect older stallions to be ridden but will consider exceptions on a case by case basis. Exceptions will normally only be made when an older stallion has proven progeny.

Note that all stallions are expected to loose jump. The jumping lane will normally consist of a cross pole, one stride then an upright, one stride then a spread.

Stabling should be booked directly with the venue; however, to assist with programming on the day, please advise if you intend to reserve stabling for the night before: Yes/No*
