## **RULES OF ENTRY**

**1 Eligibility.** These classes are open to youngstock not expected to mature above 158cms (unless they have a SPSS passport in which case there is no upper height limit). Colts are not eligible for the 3 year old class. Entries expected to mature on or below 148cm will be assessed as potential competition ponies; entries expected to mature above 148cm will be assessed as potential small competition horses. **All entries that do not hold a SPSS passport must be accompanied by a photocopy of the pony/horse's papers (or a copy of the dam's papers and a copy of the 2017 covering certificate in the case of foals that do not have their own passport). Passports should accompany the ponies/horses to the show and be available for the judge to inspect if required.**

**2 Foals.** Foals must be shown in a leather head collar and should be shown with a plaited mane if the mane is long enough. Foals will be shown in walk (normally in-hand) then loose. Weaned foals may attend without their dam. Orphaned foals may attend with an equine companion. Mares (& equine companions) should be shown in a suitable bridle.

**3 Youngstock.** Yearlings, 2 and 3 year olds will be judged one at a time, in-hand on the triangle then loose. They must be shown plaited (unless pure Mountain & Moorland in which case may be shown unplaited – although a running plait or looped long plaits are preferred). Snaffle bridles are **allowed** for all and **compulsory** for 2 year old colts and all 3 year olds.

**4 Handlers.** Handlers should be dressed neatly but comfortably and running shoes are acceptable. Whips may be carried. Protective hats are highly recommended. During the pony's individual show ONLY, the handler may use an assistant to follow behind the animal with a whip but excessive whip cracking is not allowed in consideration of the other exhibitors. Further help is allowed when the youngster is loose.

**7 Lunging.** Lunging is not permitted in the collecting ring.

**8 Dangerous behaviour of exhibits.** If any animal taking part is deemed by the organisers, judges or stewards to be **at any time** behaving in such a way as to endanger the safety of any person, animal or property or any part of the venue where the show is being held, including all stabling areas, working in arenas, horsebox parks and public areas, the Organisers reserve the right to disqualify the animal from competition and require the exhibitor, or his or her representatives, to remove the animal from the venue immediately. In the event of such disqualification, any entry fees, charges, premiums and awards will be forfeited.

**9 Stabling.** Please contact the venue directly to enquire about stabling

**10 Incivility & Infringement of rules of conduct.** Any act of discourtesy or disobedience to any judge, steward or other official on the part of the owner, groom, rider, trainer or agent of any animal will at the discretion of the Organisers render that animal eligible for disqualification, in which case any entry fees, charges, premiums and awards will be forfeited. Infringements of rules of conduct must be reported to the relevant steward in the first instance for action by the Organisers

**11 Fire precautions.** Exhibitors are asked to read carefully and observe any notices and regulations posted at the venue and comply with any relevant rules.

**12 Health and safety.** Exhibitors must adhere to all relevant Health and Safety legislation, policies and guidelines for the venue at all times and not put themselves or anyone else at risk. Exhibitors, spectators and all other persons should bear in mind that these classes are primarily for young animals and breeding stock and that all equines, especially young ones, can be easily frightened and can be dangerous. Members of the public are requested to keep clear of all equine areas and to avoid behaviour that might frighten them. Children must be supervised by parents/guardians at all times.

**14 Insurance.** All owners and competitors are personally responsible for damages to third persons caused by themselves, their employees, their agents or their horses. It is highly recommended that they have in force current third-party insurance providing full coverage for participation at this show.

**15 Declining of entries.** The Organisers may, at their absolute discretion, decline any entry, or exclude or remove any person or animal from any event without being required to assign any reason or being liable for any compensation.

**16 Data Protection.** As a studbook we are fully committed to compliance with data protection legislation (GDPR) and we take both data protection and confidentiality of information seriously. Please be assured that we only contact members/owners as necessary and we only share personal information with third parties where we are legally required to do so. If you have any queries or concerns regarding our use of data please email [sportsponies@gmail.com](mailto:sportsponies@gmail.com). The SPSS Data Release Policy can be found on the website "Information & FAQ" page

**17 Rule changes.** The Organisers reserve the right to change any of the rules and regulations without notice should circumstances warrant.

**18 Withdrawals.** Withdrawals before the closing date will have their entry fee either refunded (less a £10 admin fee) or another pony can be substituted or the entry can be carried forward to another date/venue. Withdrawals after the closing date will only be refunded (less a £10 admin fee) if the place can be filled from the waiting list.

**19 General.** Neither the Organisers nor the Venue nor any of their agents or officials or employees accept responsibility for any loss or injury to horses, riders, spectators' vehicles or property during the show, or consequent to attending the show howsoever incurred. Each owner will be considered responsible for the consequences of any infringement of these rules and regulations by the attendants in charge of his/her animals and for any other employees or agents.
